

Your BizBash content activation program comes together in 3 easy steps!

- 1 Approve** the custom content piece written by BizBash editors.
- 2 Submit** your materials.
- 3 Reach** the BizBash audience with your custom content.

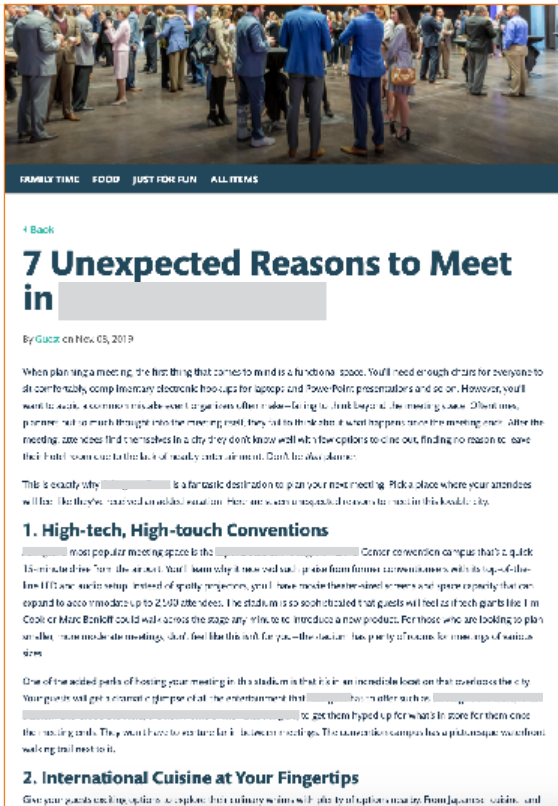

Welcome!

Thank you for purchasing a Content Activation program with BizBash. We can't wait to get your campaign up and running.

Here's what you'll receive:

- One (1) custom content piece, written by BizBash editorial* staff, to live on your website
- Promotion via BizBash social media channels, reaching more than 315k #eventprofs (Facebook, Instagram, Twitter, LinkedIn)
- Offsite targeted promotions drawing the BizBash audience back to your website through native ad placement
- Ability to pixel the audience and target them for your future marketing efforts

Sample, Specs & Sponsorship Details

Here's what we'll need from you:

- Story URL from your website (you may also provide UTM codes; destination redirects are not permitted, final URL must match display URL)
- Headlines and description to promote your story
- Images and logos for advertisements
- Social media handles and branded content partner approvals (click here for branded content approval directions)
- **Complete this form**
